What Does A Good Life Look Like?

This parent engagement session allows you to think about your children leaving school and what the next steps are in this process.

We would like you to think “what does a good life look like?”. To help you in this process you will have the opportunity to meet services and providers who can help you and your children achieve this.

You will also get the chance to meet other parents who are going through the same process and ask questions directly to services and providers.

To book a place please contact:
