#ENGAGE

30TH NOVEMBER 2015
GLASGOW SCIENCE CENTRE

EVENT
PROGRAMME

Visit www.nhsggc.org.uk/scs

In association with:

HIGHLIGHTS!

11:00 **Guide Dogs UK**

Meet the superheroes of the canine world. Learn all about their training and the special services they provide to us. They are sure to leave your tails wagging.

11:00 – 14:00 **Face Painter**

Paint yourself happy today with free body transformation art provided by Tricia McHugh

11:20 **Specailist Children's Services Engagement Films**

The World Premier of a series of short films made by children, young people, carers and families, and media co-op, about their individual experiences with SCS.

12:00 **Elsa**

The cold never bothered us anyway! Keeping things cool with a special performance from the Ice Queen herself, Elsa.

12:00 – 14:00 **Magician**

We have certainly pulled the rabbit from the hat with this fantastic performer. Be amazed as Mark Walbank performs some spell binding magic.

12:00 – 15:00 **Balloon Modeller**

Prepare to be blown away with Paul Clark's incredible balloon modelling skills.

12:00 **Police Scotland Mounted Officers**

Hold your horses! Come along and meet 4 of Glasgow's finest police officers and their horses too.

13:00 – 14:00 **Previous X-Factor finalist, Nicholas McDonald**

The one and only Nicholas McDonald will be in the building and he will be providing an outstanding performance just for us.

13:00 – 16:45 **Fire Brigade**

Have you ever wanted to have a look around the inside of a fire engine? Then make sure you come and meet the bravest fire fighters in town and take the fascinating tour of the famous fire truck.

From 16:30 **Live Performances...**

Ending the musical entertainment on a high note will be the amazing soloists, Robbi McFaulds, Murdo Mitchell, and Emily Middlemas. The performances are not ones to miss.

Fine Arts Centre of Excellence

"Lose yourself in Musical Theatre" - These wonderful and talented entertainers will be performing throughout the day with a variety of acts full of suspense!

Exhibition Area – Poster Competition

Our exhibitors compete to win the best in show – who will it be?

Raffles and Prizes

Make sure you register upon arrival to take part in our Raffle and Grand Prize Draw! Check out the TV screens throughout the venue for more information...

Graffiti Wall and Creative Activities

Take part in our creative activities and graffiti wall – get tagging and tell us what matters to you!

Sea Life Centre Touch Pool

Learn all about life under the sea and 'Sea Lifes' beauty up close and personal with the amazing touch pool.

Activities!

Check out the Science Tower Base room and the Cafe area for more activities run by our specialist clinicians

WELCOME

Welcome to NHS Greater Glasgow and Clyde's Specialist Children's Services (SCS) #Engage Event 2015, in association with Yorkhill Children's Charity and hosted by the Glasgow Science Centre.

#Engage aims to engage children, young people, families and carers in a variety of topics, based around health and wellbeing. We also aim to get your feedback on our service - What do you think of SCS? Is there something we're doing really well? Or are there improvements to be made? How should we engage with you? We'd like to know what you think!

There are posters to read, speakers to listen to and lots of staff ready to listen to your comments and suggestions. Or you could write down or draw your ideas if you'd prefer. There are also staff here from many of the other organisations that we work with - all of them keen to hear from you. Take a look around the exhibition area, take part in a world cafe discussion and enjoy the extra games, activities and performers for children and young people just for the day. Goody bags are provided, so make sure and pick one up and don't forget to enter our raffles and other competitions.

Thank you for attending and we hope you enjoy #Engage.

Stephen McLeod
