

PAMIS' Mobiloo

PAMIS is launching its fundraising campaign for a Scottish Mobiloo on **World Toilet Day, Sat 19 Nov 2016**.

Mobiloo, which is based near Oxford, are bringing up their Mobiloo to support PAMIS in their launch, and to help promote the fundraising campaign.

The promotional tour is as follows:

Glasgow Science Centre – This venue has very kindly agreed that we can park the Mobiloo outside their building (it is next to BBC Scotland; hopefully they will pop over!). The Centre is kindly offering PAMIS families reduced entry fees (to the Science Mall only): £4 with two carers having free entry. (Usual price is £11/£9)

We would love families to come along to see/use the Mobiloo and visit the Science Centre. The Mobiloo will be there from 10.00-14.30 on Saturday, 19 November. Please contact PAMIS if you wish to attend, and we will send you an entry voucher.

The Kelpies – from 15.30- 17.00 on Saturday, 19 November, the Mobiloo will be parked in front of the Kelpies, so please come along if you would like a family afternoon out, including the chance to use a fully accessible toilet!

Perth Community Cultural Celebration – Sunday, 20 November, the Mobiloo will be parked in Perth town centre from 12.00 – 15.00. The exact location will be decided on the day but it will be around St John's Place, m: 07857258597
Perth & Kinross Council information can be found at:

A PAMIS Mobiloo will give people with PMLD and complex needs the opportunities that, at the moment, are sometimes unavailable due to the lack of fully accessible toilets.

If you would like to visit the Glasgow Science Centre, **please contact PAMIS** at the Mobiloo for a voucher, which will allow you discounted entry.
