## ***Isobel Mair School Policy on School Uniform***

***Everyone Achieving, Everyone Attaining through  
Excellent Experiences***

## Dressing for Excellence

In East Renfrewshire we strive to achieve our vision.

Supporting Schools to robustly implement school uniform / dress codes is an important way of reinforcing this drive for excellence.

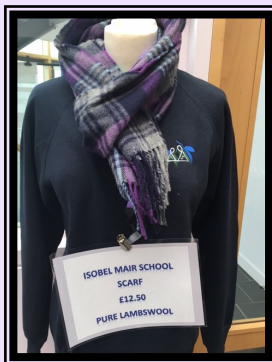

Having a high standard of uniform can:

- ◆ contribute to school security and personal safety;
- ◆ instil pride in the school and contribute to its values;
- ◆ promote a positive and professional work ethic;
- ◆ help pupils to see schools as places of learning ;
- ◆ support positive behaviour;
- ◆ encourage identity with, and support for, school ethos;
- ◆ promote equality of opportunity and social justice;
- ◆ protect children from social pressures;
- ◆ foster a spirit of partnership among pupils, staff and home and school;

Dressing for Excellence is a policy approved by East Renfrewshire 's Education Committee and was formulated following discussions with head teachers and

Parent Council chairpersons.
