Dear Parents and Carers,

We hope you all had a great Summer and that the weather didn't dampen spirits too much!

It was lovely to see so many smiling faces coming into school this morning. Pupils have been full of stories about their holidays and they all looked very happy and smart.

We do try to ensure that all buses have our pupils in school for 9am, but to keep our transport running smoothly we do need your co-operation. Please have your child ready to go on the bus when it arrives, as even a slight delay at every house can have a 'knock-on' effect of up to 20 - 30 minutes. The contact number of the bus escort should be inside the front page of all Home/ School diaries. Please use the numbers to make contact with the bus escort if the usual arrangements are changing for your child, for example, due to illness.

A small reminder for those parents who bring their children to school. All pupils will now use the pupil entrance to the left of the main doors and will be met by school staff. This is in line with all other schools and to maintain pupil safety.

Mrs. Clark has had surgery over the Summer holiday and will return to school in the near future. In the meantime, we extend our best wishes and will keep her updated regarding all the various school and class events.

Thank you for your continued support which is greatly appreciated by all the staff. We look forward to meeting you at our future events, but in the meantime, do not hesitate to contact the Depute Head Teachers if there is any matter you wish to discuss with us. Please remember we have an open door policy.

An updated diary list will be sent out in the near future, but please keep checking our school website and Twitter.

Here's to a great year!

Yours faithfully,

N. Crossan 

Nicholas Crossan and Ursula Scrimgeour  
Depute Head Teachers (Primary and Secondary)
