

Barrhead Mellow Velo
will be visiting Isobel Mair School on
Tuesday 22nd May from 11am—1pm.

We would like to invite parents to come along and see the different types of adapted bicycles that are available to meet your child's needs. The centre have various different styles of bikes, so there will be a bike that is suitable for ***the wide range*** of needs of pupils in our school.

Often the centre has a sale of old stock; the staff can advise on sales events that may be taking place in the near future for anyone interested in purchasing an adapted bicycle.
