

Isobel Mair School

Summer Holidays

I go to school from Monday to Friday

Sometimes my routine changes and I don't go to school

Sometimes I attend the extended school year club.
I might go every day or just some of the days.

I will finish school on Wednesday 11th July at 1pm.

Then it will be the summer holidays for another 5 weeks.

safe

I will be looked after and kept safe during the holidays

I might go on holiday with my family or have fun days out.

I will return to school on Wednesday 15th August.

I might have a new class with new staff.
I can look at my new class social story to help me.

The summer holidays is a change in my routine
but I will be safe and have fun.
