

PAEDIATRIC
OCCUPATIONAL
THERAPY
DROP IN CLINIC FOR
PARENTS

ISOBEL MAIR
SCHOOL/NURSERY

What happens at this Drop in clinic?

- 1. This is an opportunity for parents/carers who have any concerns about their child's motor, sensory and everyday skills at school or in the home environment, to discuss these with an Occupational Therapist.**
- 2. Strategies/Advice or information may be offered at this time for you to carry out at home.**
- 3. From this discussion if your child requires further assessment, a referral to an Occupational Therapist will be done in collaboration with yourself at this stage.**

Here is a link to our digital platform which has a wealth of information and advice for you to access and implement as appropriate:
