

Dear Parent/Carer

### Continuing learning in light of Coronavirus

You will be well aware of the rapidly changing situation across the country due to the coronavirus. As you know schools, in line with everyone else, are following national guidance which in itself is necessarily changing on a daily basis. More information is available from the NHS at [www.nhsinform.scot](http://www.nhsinform.scot).

At the moment all schools and Early Learning and Childcare Centres remain open. However, over the next few days and weeks, it is possible that an increased number of pupils and staff will catch the virus and have to stay at home. This will mean whole families having to stay at home for long periods of time, unable to come to school or go to work.

To help with our planning to continue to offer opportunities for learning we would be grateful if you could answer the following questions via the following link:

<https://forms.office.com/Pages/ResponsePage.aspx?id=oyzTzM4Wj0KVQTctawUZKaB1VjeeiYRPho7G2jbnAf1UQTdISDNPTFJFV1VHVENZVEU5SFBPWjNZUS4u>

1. Do you or your child's other responsible parent/carer work in one of the following sectors:
  - a. NHS/Social Care
  - b. Other emergency service
  - c. Other critical service, please specify
2. Are you currently, or will you likely be in the coming days, working from home (subject to the agreement of your employer)?
3. Does your household have access to the internet and WiFi?

I know this is a worrying time for everyone and I want to assure you that we are working hard to plan for different situations and continue to provide learning and teaching for our children and young people. We will continue to communicate with you through our usual channels on the arrangements for your child. Please continue to follow the updates provided through the school and Council social media sites.

Kind regards,

Sarah Clark

Head Teacher
