

Fab-yule-ous Festive Family Fun Days !

SupERkids is run for our children by their parents, so we know how tough it is over the festive period when there is 2 weeks off school, no routine, bad weather and everywhere is so busy!

Following the family fun days in the summer, we successfully applied for funding and we are aiming to run three family days after Christmas and three days in the New Year.

We will have a range of rooms and activities similar to the summer family events, with all day availability for bouncy castles, arts, crafts, gaming and movies, as well as scheduled activities such as dance, cooking, Glasgow Groovers and of course snacks throughout the day as well as lunch.

Come and join us! All are welcome! Bring your SupERkid (s) and siblings and anyone who would like to come.

We have booked Newton Mearns Baptist Church on corner of Greenfarm Road and Crookfur Road for the events as we were unable to access Isobel Mair School. It is a lovely space and we have developed social stories with photos to prepare our kids for a new venue.

Please remember that this is a family event and not being supported by Inclusive Support staff. All SupERkids and siblings must be accompanied throughout the day by a parent / carer over 16 years. A hygiene room is also being set up.
