Job Description

Pupil Groups at Kirkhill Primary School play an important leadership role within our school. They work with our pupils, staff, parents and the wider school community to:
- **promote our school**
- **help our Head Teacher and other staff to keep improving our school**
- **consult with everyone who is involved with our school on how they could help, support or be of use to them.**

We are responsible for attending and reporting on events both in classrooms and across the school and local community. We are confident and creative whilst using a range of media including ICT. We attend regular meetings where we listen and share ideas. We work with classmates, parents, members of staff, other pupil groups and members of the community. We are responsible and enjoy working as part of a team.

You have the right to give your opinion, and for adults to listen and take it seriously. (Article 12, UNCRC)

You have the right to choose your own friends and join or set up groups,
as long as it isn't harmful to others. (Article 15, UNCRC)

Your education should help you use and develop your talents and abilities. It should also help you learn to live peacefully, protect the environment and respect other people. (Article 19, UNCRC)
