At Kirkhill we are #PROUD of our school community. Everyone is encouraged to be creative, strive for excellence and be inspired to attain, achieve and be their best.

6th September 2019

Dear Parents/Carers,

Kirkhill Primary School Car Park Safety

Last session our Junior Road Safety Officers produced a travel plan for the school which can be access here <https://blogs.glowscotland.org.uk/er/Kirkhill/files/2018/12/Travel-Plan-2018-Final.pdf> The travel plan helps us to educate our pupils about safety and how to make the areas around Kirkhill Primary School safer for our families and neighbours. It has come to our attention, however, that more and more people are using the school car park just before 9 a.m. and around 3 p.m. and there have been some occasions where pupils have been very close to getting hit by a vehicle when coming in or leaving school. The safety of all of our pupils at Kirkhill is paramount and we are constantly reviewing what we do to make sure that all pupils get to school safely. Parents and carers are respectfully reminded that they are not permitted to enter the school car park at any time. Please also ensure that you use the pavements when walking to collect, or drop off your child, do not walk amongst cars or on the road in the car park.

We understand that there are exceptional circumstances where our parents and carers may need to use the car park at these busy times and therefore would ask that if this is the case you contact our school office who will be happy to give you a Kirkhill pass so that you can access the school at these times. Over the next few weeks our staff will be in and around the car park entrance to ensure that all our pupils are safely coming into and leaving school.

Thank you for your continued support!

Kind Regards

Liz Edmonstone

Head Teacher
