Dear Parent/Carer,

UNCRC Article 28

Every child has the right to an education.

UNCRC Article 29

Education must develop every child's personality, talents and abilities to the full.

Dear Parent/Carer,

One of the focuses for the school this year is our Developing the Young Workforce (DYW) programme (skills for learning, life and work). This runs through everything we do and is designed to give all our pupils an understanding of different careers, the skills needed to do them and the different pathways to get to them.

As part of the programme we would like to invite as many of our parents, carers, and their wider families, to get involved and share experiences of their career, and how they got there, with our pupils. This might be speaking to pupils in class, running a practical workshop, speaking at an assembly, or attending a specific event.

We are also interested in former pupils who would like to return to the school to talk about their career path.

If you are interested and think you would be able to support the school with your expertise we would be very grateful if you could answer a short questionnaire, link below, and we will be in touch.

We will provide some guidance before you visit the school so the pupils, and you, get the best possible experience.

Thank you for your time and we look forward to inviting as many of you as possible into Kirkhill Primary School to inspire our pupils.

Kind Regards

Paul Tyler

Acting Principal Teacher
