The School Improvement Plan

Our Improvement Plan, sets out the actions that will be taken to improve experiences and provision, attainment and achievement over the current school session (August 2019 – June 2020). The elements of the plan contain sufficient detail to drive all planning for improvement priorities across the school. The Improvement Plan is a working document that is reviewed termly with key stakeholder groups to ensure that the implementation of improvement is progressive and aligned with the plan set out in our School Improvement Plan document. The review process will allow for the measuring of the desired impact detailed within the plan. The full plan is available on our website or via the school office.

How do we report our successes and achievements?

 Annually, the Senior Leadership Team compile a Standards and Quality report – this report details the successes and achievements that we experienced in-line with our improvement plan.

 Staff, pupils and parents work collaboratively to assess the level of success that we have achieved in relation to the targets within our plan.

 Through Self-evaluation toolkits such as How Good is Our School?4 and our child-friendly version we measure our strengths and areas for development.

Our full improvement plan and standards and quality report can be accessed on our school website
