WARMEST THANKS TO EVERYBODY FROM THE HEART

As my time in office as Kirkhill Parent Council Chairperson has drawn to a close, I wanted to take the opportunity to say a HUGE THANK YOU TO EVERYONE for their support, assistance, hard work and efforts.

Kirkhill Parent Council has always been well supported by the Staff at our School as well as the Parents/Carers and for me it was an honour and privilege to be part of the TEAM. With this phenomenal support we are able to give back to the children of Kirkhill Primary School enhancing school life.

So many people have thanked me along the way but I feel saying thank you back doesn't even cover it.

Success is achieved when everyone works together and I tried my best surrounded by the best team anyone could wish for. I have loved my work within the Parent Council and feel so proud of the good work the School and Parent Council achieve daily.

At our AGM I received a planter, tree and plaque with lovely words from the parent forum. It stands pride and place in my garden for me to enjoy everyday and remember all the good times and there were so many! It was totally unexpected and I want to thank those who organised and contributed to this lovely gift.

My personal thanks to Corin, Mark and Claire who worked equally hard to achieve the success our parent council enjoyed along with the Fundraising Team, Parent representatives, Miss Edmonstone and her staff, to all the parents and carers and children of our school.

Exciting times are ahead with new members joining our Parent Council and I wish them the very best. With everyone's continuous support the good work will continue.

I leave feeling proud, happy and privileged to have worked alongside you all and send you all my warmest thanks from the heart!

Saj x
