- Introduction to Bounceback programme

In Primary 3 in Kirkhill Primary skills, knowledge and understanding are developed through a range of teaching and learning opportunities. These include direct teaching, targeted group time and tailored learning areas in the classroom and outdoor environment.

UNCRC Articles

Article 28 You have the right to a good quality education. You should be encouraged to go to school to the highest level you can.

Article 29 Your education should help you use and develop your talents and abilities. It should also help you learn to live peacefully, protect the environment and respect other people.

Skills for learning, life and work

Through our enterprise topic we will develop our...

- Budgeting and affordability skills.
- Organisational skills through running of a business
- Leadership skills
- Self - awareness, optimism and growth mindset.
- Awareness of environmental issues

Ethos and Life of the School

- Meet the Teacher – 5th of September 6pm-7pm
- Numeracy & Mathematics Curricular Evening 6pm-7pm
- Parents Evening – 13th & 14th of November
- Open Classrooms – 29th of November
- Christmas Party – 19th of December

We will be focusing on ways we can demonstrate our new school values #PROUD.

How you can help at home and opportunities for personal achievement

- Explore 2D & 3D shapes in your local environment.
- Utilise opportunities to measure and use money at home.
- Discuss the food chain of the food you eat at home.
- Continue to read aloud with your child, ensuring they take note of the punctuation.
