In Primary 6c at Kirkhill Primary, skills, knowledge and understanding are developed through a range of teaching and learning opportunities. These include direct teaching, targeted group time and tailored learning areas in the classroom and outdoor environment.

### UNCRC Articles

**Article 29** (goals of education)  
Education must develop every child's personality, talents and abilities to the full. It must encourage the child's respect for human rights, as well as respect for their parents, their own and other cultures, and the environment.

### Skills for learning, life and work

- Spreadsheets – link to organising data and creating graphs
- Cyber Resilience
- Homework

### Ethos and Life of the School

- Pupil Committees
- School Assemblies
- House System – points/rewards
- Beliefs, Saints & Miracles (St Andrew) & Christmas

### How you can help at home and opportunities for personal achievement

- Encourage your child to read at home
- Discuss what they enjoy about reading
- Read to each other, younger siblings or relatives
- Encourage your child to revise all known numeracy facts
