'TIS THE SEASON TO BE JOLLY...!

Yay!!! Wasn't our Christmas Fair just 'the event of the year'?? We at Kirkhill Primary definitely agree!!! Even the Scottish weather backed us up with beautiful winter sunshine and everyone appeared to enjoy themselves! And to top it all, our wow-factor fundraising profit of over **£5000!!** 😊

Amazing, right?! Yup 👍

I think we all - EVERYONE! - from the parents, families, teachers and kids who helped at the stalls, with the raffle prizes, those that came to our fair and spent their money & not forgetting those folks that helped clean up... EVERYONE deserves a massive round of 🙌🙌🙌 and on behalf of the Kirkhill Parent Council... an even more massive THANK YOU!!

At the most recent Parent Council meeting in November, Miss Edmonstone presented the school's wish list for various items and equipment and thanks to such a fantastic fundraising effort, we can now look at assisting with this in the near future.

Now we can all sit back and enjoy the festive season 😊

A quick update on the Rudolph greeting cards/products... my sincere apologies to a few of our families who have been in touch through our class reps for discrepancies with their orders. Even through the busy time of the fair, I've been constantly in touch with the supplier and have been promised a swift resolution. I appreciate your support and bearing with me through this.

As always I'm available for any queries.

Kind regards,

Sidra Hasan Ahmed
Chairperson
Kirkhill Parent Council
