Dear Parents/Carers,

eBooks for Home Learning

I hope you and your family are keeping well and have been enjoying the sunshine during this difficult time.

To continue to support your child's reading development, the class teachers may, at some point, use the free online Oxford Owl eBooks as part of our online learning programme. As appropriate, class teachers will assign relevant texts and related activities for pupils using the Seesaw app alongside any other home learning activities.

To access the eBooks, you will need to use the log-in class name and class password which will be made available to you by your child's teacher on Seesaw. I have included instructions for logging in and how to locate and use the eBooks within this Friday bundle.

As with books sent home for homework, some adult support may be required to read the eBooks and I have included two parent leaflets in the Friday bundle if you would like further guidance on this.

Happy reading!

Yours sincerely,

Pam King
