

Asking Questions

Think of a question to ask someone. Try to think of something you do not know and would like to find out! Now ask them the question. I wonder if the answer was what you expected!

Peg Challenge!

Can you take some clothes pegs and try to peg as many as you can onto a container, line of string, an item of clothes etc.? I wonder how many you will be able to do!

Zips and Buttons

Can you have a go at practising putting your jacket on and off? Can you have a go at practising doing up buttons and zips? Sometimes these can be a little bit tricky!

Transition Activities - Week Two

We hope you enjoy this week's activities! There is **no expectation** to complete any/all of these activities. However, if you would like to share any pictures/videos etc. of your child doing these please share these here on Seesaw and/or please tweet us @KirkhillPS with the hashtags #kpstransitions #proudkps.

Counting

Can you have a go at counting forwards as high as you can? As a further little challenge, can you count backwards from any numbers?

Colour Hunt

When you are outdoors take a look around you – what colours do you see?

Favourite Story

Can you choose your favourite story at home and listen very carefully to an adult reading it to you? Could you draw a picture of your favourite part of the story or your favourite character?
