

## Using Big Cat eBooks at home

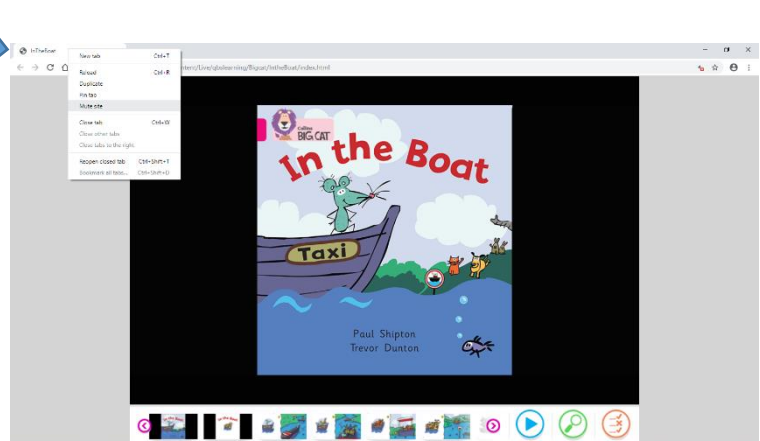

At Kirkhill we use Big Cat reading books in class which are also available as eBooks. We will now be using the eBooks for homework, and your child's teacher will provide a direct link via Seesaw which will open up a web page for the relevant eBook.

Big Cat eBooks allow your child to listen to the book being read to them whilst they follow the text.

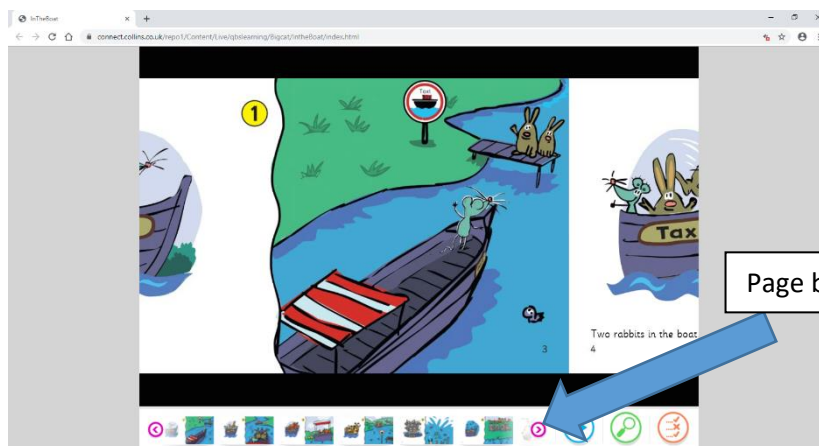

However, we would like to encourage your child to read the eBook to you. To do this, mute the sound and use the pause button. This will allow your child to control the book.

To mute the sound, you can simply turn down the volume on your device, or if using a computer, you can right-click the tab (as shown below) and select 'mute site'. Your computer should remember this instruction for all Big Cat eBooks after this.

Right-click the tab and choose 'mute site'

When your child is ready to turn the pages of the book, they can click and grab the page, then slide the cursor left. Or, you can click on the next page on the bar below the eBook.

Page bar: click to view specific pages

Happy reading! 😊
