

East Renfrewshire Primary Music  
2020-2021  
Primary 4

Dear Parent/Carer,

This session, the Primary Music team have been delivering music lessons remotely through Google Meet in Google Classroom.

Classes have been enjoying a variety of games and rhymes to learn about rhythms and musical notation. There is currently a particular focus on rhythms and children are learning rhythm names using the Kodály method. (e.g. ta, tete, tiri tiri etc.)

In Primary 4, pupils will be covering the 'Carnival of the Animals' as their listening unit and pupils will learn about various instruments of the orchestra and musical concepts.

Pupils will also have the opportunity to compose and create music using musicianship skills they have worked on throughout the year.

This is a progressive music course and we hope your child will share some of their learning with you. The Primary Music Service is funded by Youth Music Initiative and we thank them for their continued support.

If you have any questions about our Primary Music courses or want any further information, please contact Donald Finlayson (Music Service Manager) on 0141 577 3835.

Many thanks from the Primary Music Team
