## COVID-19 GUIDANCE FOR PARENTS AND CARERS

**Click here if...**

**Your child is a close contact  
of someone who has tested  
positive for Covid-19**

**Click here if...**

**Your child has displayed  
Covid-19 symptoms**

**Please remember the importance of  
continuing to observe the rules on social  
distancing and other measures to  
prevent infection such as regular  
handwashing.**

Covid-19 symptoms**

Your child is a close contact  
of someone who has  
tested positive for Covid-19

**Your child should self-isolate  
and not attend school.**

Your child is a close contact  
of someone who has  
tested positive for Covid-19

Please contact the school to let us  
know that your child is required to  
self-isolate and is being tested.

Your child is a close contact  
of someone who has  
tested positive for Covid-19

Please communicate clearly that this is  
because they are a close contact of  
someone else and not because they are  
displaying any symptoms themselves.

Your child is a close contact  
of someone who has  
tested positive for Covid-19

After 3 – 5 days you should arrange a  
Covid-19 PCR test for your child, unless  
they have tested positive within the last 90  
days.

Click here to  
Book a Test

If you need support to book  
a test, please call  
0300 303 2713.

Your child is a close contact  
of someone who has  
tested positive for Covid-19

If your child's test is negative they will still be required to self-isolate for 10 days as a precaution. The 10 days starts from the date your child was last in contact with the person who has Covid-19.

**Your child is a close contact  
of someone who has  
tested positive for Covid-19**

**If the school contacts you to let you know that your child is a close contact of someone in their class who has tested positive for Covid-19, please remember that any siblings can still attend school as they were not a close contact themselves.**

**If your child tests positive, however, all family members will be required to self-isolate and book a test.**

Your child has displayed  
Covid-19 symptoms

Your child should not  
attend school.

Your child has displayed  
Covid-19 symptoms

The rest of your  
household should  
also stay at home.

Your child has displayed  
Covid-19 symptoms

You should book a test for the child displaying symptoms and notify the school of the result.

This can be done by phone (during Office hours) or email (evenings and weekends).

Please do all of the above **BEFORE** sharing any information on social media, including WhatsApp groups.

Your child has displayed  
Covid-19 symptoms

In the case of a positive result, notify the  
school as soon as possible.

Be able to tell the school when your child first  
displayed symptoms and when your child was  
tested.

Your child has displayed  
Covid-19 symptoms

The school, will then take any necessary steps concerning your child's class and teacher including, but not limited to, advising them all to book a test.

Your child has displayed  
Covid-19 symptoms

It is not school policy to share the name of the child or adult who has tested positive, therefore it is not necessary for you to share this with the wider group of parents.

Your child has displayed  
Covid-19 symptoms

**All members of your household and any other close contacts, including other siblings who attend school, should continue to self-isolate for 10 days as a precaution and also book a test.**

Your child has displayed  
Covid-19 symptoms

Please remember, it is your responsibility to ensure this information is passed on to any close contacts who are not in your child's class.

# Covid-19 Symptoms

- a high temperature or fever
- a new continuous cough
- a loss of, or change in sense of smell or taste.

more detail](#)

# Social Distancing Rules

## Do

- ✓ stay at home except for essential purposes
- ✓ stay 2 metres (6 feet) away from other people outside your household or extended household at all times
- ✓ only meet up outdoors with one other household (no more than 4 people in total at a time) – children under 12 don't count towards the 4 person limit
- ✓ limit the total number of other households you meet in a day
- ✓ only go into someone else's home to access the garden or use the toilet
- ✓ travel by foot, bike or car if you can
- ✓ change your travel times to avoid rush hour
- ✓ wash your hands with soap and water (or hand sanitiser) when you return home after going out
- ✓ work from home if you can – your employer should support you to do this
- ✓ use phone or online services to contact your GP or other essential services

## Don't

- ✗ do not meet indoors with people from other households unless you have formed an extended household or provide care and support – for example caring for an elderly family member or delivering shopping
- ✗ do not meet anyone with coronavirus symptoms (new continuous cough, fever or loss of, or change in, sense of smell or taste (anosmia))
- ✗ do not have large public gatherings with friends and family – keep in touch using remote technology such as phone, internet, and social media
