Relationships Blueprint

23rd April 2021

Dear Parents / Carers,

We strive to welcome our families into school to share new developments and initiatives that we are working on, but due to the current circumstances this has not been possible. As a school we have been developing our behaviour policy. We now call this our 'Relationships Blueprint'. We have been working hard to bring to embed this within our daily practice and we are continuing to work on this daily within classrooms and around the school.

We have made a short video to tell you some more information on our current development and we would be very appreciative if you could take the time to watch this short video. Please click the link below.
