Primary 7 Session 2021-22 Outdoor Education Opportunities

Friday 4th June 2021

Dear Parents and Carers,

Each year at Kirkhill Primary School we organise an outdoor education opportunity for our P7 pupils. In normal times this has been a residential experience, at Castle Toward, Lochgoilhead or other similar centres. However last session and this, due to the impact of Covid-19, our P7 pupils have not been able to take part in a residential experience. This year the P7 staff and Leadership Team have organised a week of outdoor activities to take place in the school grounds and at other outdoor venues in the local area and we are looking forward to this new and different experience.

Whilst organising this year's P7 outdoor experience, and reflecting on the financial impact of Covid-19 on the wider school community, we thought it would be a good idea to explore and cost a few different options for our current P6 pupils in advance of them moving into P7. Therefore we have put together three outdoor experience options and would like to use the form you can access [here](#) to gather your feedback about them.

As with all trips we will follow the guidance shared with us by East Renfrewshire Council and any outdoor education centres or other venues, and we are not yet making a final decision about what outdoor experiences will be organised for next year's P7. All costs outlined in the form are approximate, do not yet include any transport costs where applicable and may be subject to change. Please complete and submit the form below by Tuesday 15th June.

Yours sincerely

Depute Head Teacher
