23rd September 2021

Dear Parent/Carer,

We are delighted to welcome back friend of Kirkhill and one of our favourite authors Ross MacKenzie to introduce his new book 'The Feast of Evernight' to P6 and P7 pupils through an online presentation on Tuesday 5th October. The event has been arranged with Waterstones Booksellers, Newton Mearns and signed copies both of his award-winning books 'Evernight' and 'Feast of the Evernight' (Part 2 of the series) will be available for purchase on the day. Ross will share his writing approach and read excerpts from the books.

There is no obligation to purchase the books, however, if your child would like a personalised, signed copy (of both or either book), they will be on sale on the day. The books cost £7.99 each and if you would like to make a purchase, please pop the money into an envelope with your child's name, class and book titles marked clearly on the front. ***Can we please ask that money only be brought to school on the day of the event (5.10.21).***

We believe this will be a super opportunity for the pupils to be inspired by Ross and his work.

Yours sincerely,

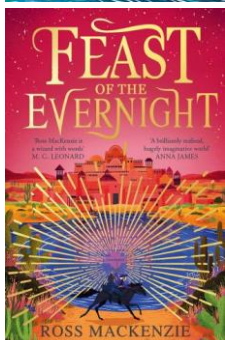

Pam King

Thousands of years ago, the Evernight came to the Silver Kingdom and turned everything to darkness and chaos. It was only defeated thanks to the skill and bravery of the Witches.

But now the Evernight is about to return, released by the evil Mrs Hester, and the only spell that might stop it is lost, deep below the great city of King's Haven.

Then orphan Larabelle Fox stumbles across a mysterious wooden box while treasure-hunting in the city's sewers. Little does she realise she is about to be catapulted into an adventure, facing wild magic and mortal danger - and a man who casts no shadow...

The follow-up to the hugely popular *Evernight* sees a fresh threat to the Silver Kingdom as Larabelle and Joe must brave unimaginable danger in a desperate attempt to clear Double Eight's name.

The Evernight has been defeated and the sun has returned, thanks to Larabelle Fox and her friends Joe and Double Eight. White Witches have their souls back and Mrs Hester is no more.

It should be a time of celebration and relief. But a new threat is emerging from the mists of the Veil, the dangerous forest that surrounds the Silver Kingdom's southern lands. Mysterious killings are taking place, and Double Eight is the suspect. Lara and Joe journey to Lake End to discover what's really happening, all the while trying to stay one step ahead of the secret police . . .
