At Kirkhill we are #PROUD of our school community. Everyone is encouraged to be creative, strive for excellence and be inspired to attain, achieve and be their best.

Working in partnership with Parents and Carers

Friday 22nd October 2021

Dear Parent/Carer

At Kirkhill we are always seeking opportunities to work with families throughout the school year. Unfortunately due to the impact of Covid 19 we have been unable to welcome parents and carers into school as we have in the past. This year we are hoping to organise some sessions about how you can work with, and help your child at home in different curricular areas and so we are looking for some feedback about which areas you feel would be most beneficial.

Some areas which we could cover are:

- Helping at home with Reading
- Helping at home with Writing
- Talking and Listening Activities you can do at home with your children
- Helping at home with Numeracy and Mathematics
- Games and Activities to play at home with your children
- Science and Technology activities at home
- How you can support the transition between Primary and Secondary school

If you would be interested any of these areas, or you have any other suggestions, please complete the short form which you can access at this link:
