Dear Parent/Carers,

Parent/Carer Feedback

We realise that it has been a very different few years at Kirkhill Primary adapting to changes in the way that we do things. We are constantly looking at ways that we can improve what we do and also get feedback to find out how things are going, what is going well and information to help plan our next steps.

We would be very grateful if you could help us with this process by completing the questionnaire accessed through the link below. The information collated from this will help us to find out how we are doing and what our next steps need to be.

Thank you for your support with this.

Kind Regards

Liz Matthews
