In Primary 5 in Kirkhill Primary skills, knowledge and understanding are developed through a range of teaching and learning opportunities. These include direct teaching, targeted group time and tailored learning areas in the classroom and outdoor environment.

## UNCRC Articles

- **Article 29** (goals of education) Education must develop every child's personality, talents and abilities to the full. It must encourage the child's respect for human rights, as well as respect for their parents, their own and other cultures, and the environment
- **Article 30** (children from minority or indigenous groups) Every child has the right to learn and use the language, customs and religion of their family, whether or not these are shared by the majority of the people in the country
