Dear Parent/Carer,

Being respectful to our neighbours

We are delighted that the areas around our school gates have been less congested and have had fewer incidents with dangerous driving and parking. Thank you so much for all your support with this.

Unfortunately, we have had a number of local residents from the properties at the back of Kirkhill get in touch with us concerned about drop off and pick up times around Kirkhill Primary. We understand that it can be busier on the pavements during these times and families are working hard to socially distance and keep safe. However, a few residents have been in touch to tell us that they are finding it difficult to access their properties and that a number of pupils from our school have been running through gardens adjacent to our grounds damaging plants and shrubs.

Can I please ask for your support ensuring the safety of all our families and in respecting our neighbours. We would encourage you to stick to the public pavements, avoiding private paths and gardens and move away from the school once you have picked up or dropped off your children. Please also remind your children to stick to paths and walkways and avoid cutting through or playing in private gardens.

Thank you for your continued support

Kind Regards

Liz Matthews

Head Teacher
