

Communication at Kirkhill

Communication consultation

Thank you to everyone who shared their views on our snapshot survey about communication at Kirkhill. As can be seen from the results a high number of parents/Carers indicated that they would like the school to introduce a school app. Over the next few weeks we shall be developing this further and will share details with you when the app is ready to go. This session we will continue to use the app and Friday bundle to share information with Parents/Carers.

1. Please indicate below your preferred method of communication

Contacting Us

Seesaw is a learning journal for our pupils and a way for us to share what is happening in the classroom and share pupil work. We also often share learners' fantastic work on the class interactive whiteboards with the rest of the class. With this in mind we kindly ask that you do not use this as a tool for communication with the school as it is visible to pupils and not regularly checked throughout the day. Please contact us through school mail if you would like to discuss anything further or share information relating to your child. schoolmail@kirkhill.e-renfrew.sch.uk
