Relationships, Sexual Health and Parenthood (RSHP) Curriculum

Dear Parents/Carers,

We are writing to you today to let you know that at the start of next term, we will be sharing with parents and carers an information presentation about the RSHP curriculum. This is a key part of our wider Health and Wellbeing curriculum which all classes within the school work on throughout the year. At Kirkhill we follow the Scottish national RSHP curriculum which was introduced a few years ago as part of a Curriculum for Excellence update.

The curriculum is designed to be progressive from Primary 1 through to high school and gives pupils the age appropriate content they need to achieve each level.

All of the content for RSHP lessons can be found on the RSHP website <https://rshp.scot/> where there is also an excellent information section for parents and carers <https://rshp.scot/about-the-resource/#parentsandcarers>. There are also some questions in the FAQ section that are directly applicable to parents and carers <https://rshp.scot/faq/>

We have attached information along with this letter which outlines the experiences children will have at the various levels throughout the school. We hope this is helpful in allowing you to understand which topics will be covered and at which stage in school. If you have any questions regarding this, please use the link below to input your question and we will answer this in the presentation. Please add you questions **before 12noon on Friday 22nd April**.
