

IMPORTANT ANNOUNCEMENT FROM KIRKHILL PARENT COUNCIL

SUMMER FAIR

SATURDAY 11TH JUNE 2022

Spring has definitely sprung and we are loving the slow but sure return of hubs of parents/carers/children around the school-it has been a sight for sore eyes

We admit the parent council has been quiet on the shop front; some of you may have even forgotten we exist! Rest assured we are in full swing BTS planning our first social event since December 2019 and for some of the families that have joined us since, this will be their first experience/engagement with our fantastic KPS Community and for the rest of us, time to reminisce how enjoyable these events always were.

No KPC fair will be complete without our classic stalls- Bottle/Chocolate/Toy Tombola; Pre-loved books/toy; Home Baking; Lucky dip; BBQ & Tearoom; Raffle; Face painting; Plants; bouncy castle ...but we are also exploring a 'MARKET STREET' set up of stalls using some of our outdoor space in the car park and invite any parents/carers/friends with small/big businesses to rent a stall (£50 flat rate: please get in touch for more details)

Saving the most important request for last- WE NEED YOU!!!

Yes we cannot possibly pull this together unless we have all hands on deck- Can you spare an hour or 2 for help at a stall?

Laura, KPC vice chair who is the fundraising lead and myself are on hand for any more information- please contact us through your class rep or by email kirkhillpcsec@gmail.com

Oh and one more thing....start getting EXCITED! Can't wait to meet you all!!

Warm wishes
