

KIRKHILL PARENT COUNCIL

10am-1pm

SATURDAY 11TH JUNE
2022

Hi all

Just a quick update!

Preps are in full swing to host a most enjoyable family fun day at our school.

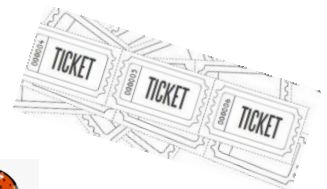

We are so grateful to all those wonderful parents and carers who have volunteered but we know there are still some hidden gems amongst you that can help on the day- we are just looking for an hour of your precious time to supervise a stall.

We still have some spaces for stalls: Do you have an idea to raise funds for our school? A local small business? A class parent/carers stall? Please contact us for details.

Our tombolas, raffles and baking stalls are always a star attraction thanks to the generosity of the parents and carers at KPS- watch out for our letter next week where we will announce suggested item donations and when to send these in.

We are also looking for a few luxury item donations for the school raffles please

Also returning is the **GREAT KIRKHILL BAKE OFF COMPETITION** TM

Can you express what summer means to you in a dessert? If you can then why not enter our fun-filled challenge? Further details will be in next week's Friday Bundle so watch this space....

As much as we are wishful for a hot dry day, we are all too familiar with our unpredictable Scottish weather. Do you have a portable gazebo/pergola we could borrow for the fair?

Laura, KPC vice chair who is the fundraising lead and myself are on hand for any more information- please contact us through your class rep or by email kirkhillpcsec@gmail.com

Warm wishes

Sidra (KPC Chair)
