### **Primary 6 - Careers Fair**

Further to our previous letter about the Primary 6 Careers Fair on **Thursday the 16<sup>th</sup> of June** there has been a change to the timings from our previous letter. The times for the careers fair are as follows:

**P6a – 9:30am**

**P6b – 11:15am**

**P6c – 1:30pm**

We are delighted to invite Parents and Carers in to school to share their profession at the Careers Fair and we are still looking for parent volunteers to come along and host a stall in our gym hall with some interesting information about your profession and perhaps bring some visuals and equipment that you may use. Our Primary 6 pupils will spend the time with you during the fair sharing their knowledge of different careers they have researched whilst also learning from any volunteers during each session. There is no requirement to volunteer to come along to the event. The Careers Fair will encourage our pupils to think about skills they might need to develop in order to work in different professions they may consider in future.

If you can volunteer at the event, please complete the form below and return it to school by **Friday the 3<sup>rd</sup> of June**.
