*At Kirkhill we are #PROUD of our school community. Everyone is encouraged to be creative, strive for excellence and be inspired to attain, achieve and be their best.*

## Numeracy and Mathematics

### Family Learning Event- Wednesday 26<sup>th</sup> October

*“Mathematics is important in our everyday life, allowing us to make sense of the world around us and to manage our lives. Using mathematics enables us to model real-life situations and make connections and informed predictions. It equips us with the skills we need to interpret and analyse information, simplify and solve problems, assess risk and make informed decisions.”*

*Education Scotland*

We would like to invite you to come along on Wednesday 26th October 2022, 6.00pm-7.00pm, to explore the different ways in which pupils at Kirkhill are learning and experiencing Numeracy and Mathematics.

We will have pupil-led activities from each stage in the school with some other mathematical visitors too. Parents and pupils are invited to come along and learn with us.

We hope to see you there!

Kind regards

KPS
