Numeracy and Mathematics Curriculum Evening

Dear Parent/Carer,

We are pleased to share with you that we are holding a Numeracy and Mathematics Curriculum Evening on Wednesday 26th October, 6pm-7pm. During this event each class from P1-7 will have an opportunity to showcase some of the areas of Numeracy and Mathematics they have been learning about this year and some of the activities pupils might do in class during their learning.

We would like to have some volunteers from each class from P2- P7, to be at each stall and talk to parents/carers about their activity. If your child would be able to take part could you please complete and return the form accessed on the link below. If we have more pupils volunteering than we need then we will take names out of a hat, however all children will be welcome to come along with their parents/carers to the event.

We are looking forward to the event and hope that you will enjoy seeing how Numeracy and Mathematics is important to us in Kirkhill.

Yours sincerely,

Scott Russell
