At Kirkhill we are #PROUD of our school community. Everyone is encouraged to be creative, strive for excellence and be inspired to attain, achieve and be their best.

Working in Partnership with Parents and Carers

Friday 7th October 2022

Dear Parent/Carer,

As we get back to 'normal' at Kirkhill Primary School we are looking to strengthen our community partnerships again and increase the opportunities for pupils' families to be involved with the school.

Last school year we started to have some family members back into school to talk to classes about different aspects of their work, for example how they use Numeracy and Maths at work, and how they ended up working in their career.

Both face to face and virtual visitors had a huge impact on helping our pupils get a better understanding of the World of Work and the diversity of possible careers that are available to them.

This school year we would like to grow our engagement programme and have even more parents, carers and other family members into Kirkhill to share what they do at work, the skills they need to do it and the pathway they took to get there.

During the year we will have specific weeks focused on STEM, Developing the Young Workforce, Maths, Reading and Mental Health and we are looking for visitors who would be willing to come and speak to classes.

If you would be interested in visiting the school to speak, or just want to find out more about what you can do to support us please complete the short MS Form at the link below so that we can contact you and discuss how you can get involved.

<https://forms.office.com/r/KJk8VEztc9>

We look forward to hearing from you and working with you in the coming year.

Kind regards

Paul Tyler

Acting Principal Teacher

Kirkhill Primary School
