At Kirkhill we are #PROUD of our school community. Everyone is encouraged to be creative, strive for excellence and be inspired to attain, achieve and be their best.

Numeracy and Mathematics

Family Learning Event – Feedback Form

Dear Parents/ carers

Thank you very much to everyone who came along to hear our pupils sharing what they have been learning in Numeracy and Mathematics so far this session. We hope you found this event useful and informative. In order to continue to improve events like this within Kirkhill we would very much appreciate it if you could give us some feedback by completing a short online form which can be accessed by scanning the QR code below if you did not already get a chance to do so on the evening.

If you would like to discuss aspects of Numeracy or Mathematics, or would like to know more about anything you have seen during this family learning event, please feel free to speak to any of the school leadership team who would be happy to discuss this with you.

Yours Sincerely

Scott Russell
Acting Principal Teacher
