

At Kirkhill we are #PROUD of our school community. Everyone is encouraged to be creative, strive for excellence and be inspired to attain, achieve and be their best.

Dear Parents/ Carers,

As part of our enterprise topic, Primary 3a have set up their own company – The Winter Workshop. We have been busy little elves working to create some wonderful winter crafts and we would love to invite our parents/carers along to a winter market in our classroom on Tuesday 20th December at 2:15 – 2:45pm.

As we are aware of the current financial situation and the hardship faced by many in our community, The Winter Workshop would like to ask that instead of monetary donations for our crafts you would consider donating non-perishable goods (food/toiletries) in exchange for one of our winter crafts.

Many thanks,

The Winter Workshop (P3a)

Article 29 (UNCRC)

Education must develop every child's personality, talents and abilities to the full. It must encourage the child's respect for human rights, as well as respect for their parents, their own and other cultures, and the environment

I have experienced the different jobs involved in running a business enterprise and understand the role each one plays in its success.
