

# Homework Consultation

As part of our ongoing school improvement, we are going to be reviewing our homework policy.

It is essential that, as part of the review, we gather the thoughts and opinions of parents. We would be grateful if you could take some time to answer the following survey to help us to establish what is working well and what we might want to change.

In the new year Mrs Gray and Mr Russell will be forming a short term working group to work on this. Please indicate below if you would be happy to be part of that group.

Thank you for your continued support.
