

## #PROUD Sharing your Achievements – Home Activity

At Kirkhill we are so #PROUD of the amazing individuals that we have in school. Our learners achieve in many areas of their learning and life both inside and outside of school and it is very important to us that we can celebrate these achievements across our school community.

In 2019 we updated our behaviour policy to focus more on positive relationships and celebrating the fantastic achievements of our learners. Within school we have many different ways that we recognise those pupils who constantly go above and beyond. This includes:

- #PROUD certificates
- #PROUD clouds
- #PROUD postcards
- #PROUD phone calls home

We celebrate these achievements through Seesaw, school displays, on our website, Twitter and TV screen at the front of the school. However, we recognise that our learners will achieve in many aspects of their learning and life throughout their journey in school. It is important to us to celebrate all these achievements.

Use this form to tell us about any clubs you are in, awards you receive, volunteering you do or any other activities and achievements OUT OF SCHOOL. You can only use this form for activities and achievements this school year. You will need to fill in a separate form for each new activity or achievement.

You must be logged into Glow AS YOURSELF so the information you give us will track to YOUR school record. If it doesn't say your name and you are logged into Glow then please see your teacher.
