The School Improvement Plan

Our School Improvement Plan (SIP) sets out the actions that will be taken to improve experiences and provision, attainment and achievement over the current school session (August 2021 – June 2022). The elements of the plan contain sufficient detail to drive all planning for improvement priorities across the school. The SIP is a working document that is reviewed termly with key stakeholder groups to ensure that the implementation of improvement is progressive and aligned with the plan set out in our SIP document. The review process will allow for the measuring of the desired impact detailed within the plan. The full plan is available on our website or via the school office.

Our Vision and Values

At Kirkhill Primary School we have an extraordinary school community, who wish the greatest success for everyone. In line with our local authority vision of *Everyone Attaining, Everyone Achieving through Excellent Experiences*, we strive for excellence in all aspects of our work and are committed to ensuring that we work together to get it right for every child (GIRFEC). We aim to ensure that there is a positive, welcoming and inclusive ethos where all are valued and have a voice. We are proud of the achievements of our pupils, staff and our school community.

Reporting on our Improvements

This leaflet is intended to give you a flavour of the improvements that will be taking place throughout the Session 2022-2023

If you are interested in reading the SIP in full then please download it via the school website or request an e-mailed copy via the school office. Through regular e-mail and news alerts, class blogs and our Kirkhill Twitter feed, along with interim reports/updates submitted to the Parent Council, we will keep you informed of the developments and progress of our improvement plan.

How do we report our successes and achievements?

-  Annually, the Senior Leadership Team compile a Standards and Quality report – this report details the successes and achievements that we experienced in-line with our improvement plan.
-  Staff, pupils and parents work collaboratively to assess the level of success that we have achieved in relation to the targets within our plan.
-  Through self-evaluation toolkits such as How Good is Our School?-4 and our child-friendly version we measure our strengths and areas for development.

Our full SIP and standards and quality report can be accessed on our school website
