Diversity in Kirkhill

Dear Parents/Carers,

We are excited to announce the creation of a diversity group at our school. The purpose of this group is to promote understanding, acceptance, and inclusion of all cultures and backgrounds within our school community.

As a parent, you are an integral part of your child's education and we value your involvement in their learning journey. We would like to invite you to be a part of this important initiative and contribute to creating a welcoming and inclusive school environment for all students.

The diversity group will meet throughout the school year to discuss issues related to diversity and inclusion, and to plan events and activities that celebrate the rich cultural diversity of our school community. We believe that by working together, we can create a more harmonious and understanding school community for all of our children.

As a member of the group, you will have the opportunity to collaborate with other parents and school staff to plan events and initiatives that celebrate and educate about diversity. You will also have a platform to share your own experiences and perspectives, and to advocate for diversity and inclusion within the school.

We believe that a diverse and inclusive community is essential for creating a welcoming and supportive environment for all students. We hope that you will consider joining us in this important journey.
