At Kirkhill we are #PROUD of our school community. Everyone is encouraged to be creative, strive for excellence and be inspired to attain, achieve and be their best.

Dear Parent/Carer,

As part of our Science topic, P6a.1 have been learning about the different senses, including taste, and we would like to taste different foods. The activity will include the following foods:

Dark chocolate
Sour skittle
Pretzel
Candy floss

Please complete the form at the link below by **Wednesday 16th February** to give permission for your child to take part in the food tasting:

Yours sincerely

Elaine Wallace

(P6a.1 Class Teacher)

Curriculum for Excellence

Through discovery and imagination, I can develop and use problem solving strategies to meet design challenges with a food focus.

Skills for Life, Learning and Work:

The totality of experiences which are planned for our learners include the development of skills for learning, life and work. The development of these skills is integrated and embedded into our learning and teaching experiences throughout the school years and into lifelong learning.

UNCRC Article 28

Every child has the right to an education.

UNCRC Article 29

Education must develop every child's personality, talents and abilities to the full.
