

DESIGN A CROWN

“FIT FOR A KING”

What are you interested in?
Climate change? Recycling?
Technology? Use this as a
starting point for your design.
It doesn't have to be a
traditional crown, let your
imagination run free!

Please bring your crown to Broom Church on
Sunday 7th May. Every crown will be on display at
our Church Service at 10am and at our Coronation
party in the afternoon at 2pm. If you can't come on
the day, please bring your crown before then.

There will be prizes for all
your wonderful crowns.
We can't wait to see
your special designs!
