

*Dear Parent / Carer,*

*We are inviting all parents and carers across Mearns Castle Cluster establishments to help us shape our new cluster vision, values and aims.*

*Our new vision, values and aims will underpin cluster improvements and work as we move forward and it is important that these are created in collaboration with all of our children, parents / carers and staff.*

*Please take a few moments to complete the short survey by using the link below. This should take no longer than a short two minutes.*
