In Primary 5 in Kirkhill Primary skills, knowledge and understanding are developed through a range of teaching and learning opportunities. These include direct teaching, targeted group time and tailored learning areas in the classroom and outdoor environment.

## UNCRC Articles

- **Article 29** (goals of education)  
Education must develop every child's personality, talents and abilities to the full. It must encourage the child's respect for human rights, as well as respect for their parents, their own and other cultures, and the environment.
- **Article 33** Governments must protect children from taking, making, carrying or selling harmful drugs.

## Skills for learning, life and work
