Dear Parent/Carer

S2 Maths

The information contained in this letter details the key dates which will allow you to monitor your child's progress in Maths throughout the session.

There will be three formal Maths assessments in S2: in November (East Renfrewshire Standardised Test), December and May. There may be some adjustments to the Maths classes in January, following the November/December assessments. You will receive a tracking report in October and a full written report in February, prior to the S2 Parents' Meeting on Monday 23 February.

Please be assured that the Maths Department is committed to providing the best possible learning experience for your child and that the needs of every child are taken into account when classes are set.

If you require any further clarification, please do not hesitate to contact me.

Yours sincerely,

Elizabeth Gibson

PT Mathematics
