Dear Parent/Carer

**S3 Maths**

The information contained in this letter details the key dates which will allow you to monitor your child's progress in Maths throughout the session.

Classes have been set according to progress made in S2. Currently, there are seven National 5 classes, one National 4 class and one National 3 class.

There will be three formal assessments in Maths in S3: in October, March and April/May, the last of which will be part of the whole school exam diet. Following each assessment, progress will be reviewed and changes to sections will be made as appropriate. If a change of level from National 5 to National 4 is felt to be necessary, this will only happen following discussion between PT/DHT and Parent/Carer.

You will receive a Tracking Report in December. There will be the opportunity to discuss your child's progress with the class teacher at the Parents' Meeting on 12 March 2015. You will also receive a full written report in June, 2015.

Please be assured that the Maths Department is committed to providing the best possible learning experience for your child and that the needs of every child are taken into account when classes and levels are set.

If you require any further clarification, please do not hesitate to contact me.

Yours sincerely,

Elizabeth Gibson
